NP Empowers Students in Need with 70 NEW Devices

The Trinidad & Tobago National Petroleum Marketing Company Limited (NP) fervently believes that the safety and education of our nation's children is paramount. As the Covid-19 pandemic gave rise to challenges to many students in accessing online learning, it was NP's obligation and distinct honour to partner with the Ministry of Education in the Adopt-a-School: "No Child Left Behind" public engagement initiative. In two synchronized presentation ceremonies on Friday 27th November 2020 at NP's Head Office in Sea Lots, Port-of-Spain and across in Tobago, the Company presented the Principals and some students of twelve (12) Primary Schools with Seventy (70) brand new LENOVO tablets.

NP is proud to have provided tablets to the Principals of Primary Schools from Forest Reserve, Barrackpore ASJA, St. Phillip's Government, La Romaine Government, Crystal Stream Government, Montrose Road Vedic and Chaguanas RC. In Tobago, students from Primary Schools in Charlottesville, Par latuvier, L'anse Fourmi, Table Piece and Scarborough were also recipients. As a socially responsible entity and in keeping with our tagline "For all Life's Journey's", NP will continue to do all in its power to assist in paving the way for a brighter future for the children.
