

For all life's journeys

QUALITY POLICY STATEMENT

As a Petroleum Marketing Company, NP is committed to being a regional leader in the downstream petroleum industry by providing quality products and world-class service to our partners and customers in accordance with prevailing local and international regulations and standards, including industrial practices.

To achieve this, the Company remains dedicated towards providing the support required for the development, maintenance, efficiency and continual improvement of its Quality Management System as identified in the Company's strategic plan in order to provide value to its stakeholders, and by extension the wider community.

NP's management system demands full participation; of all persons and organisations impacting the Company's products and services; focussed on customer satisfaction through our exceptional service delivery.
